**District Vision and Mission:**

Vision: Forest Hills Public Schools...all learners achieving individual potential.

Mission: In partnership with our community, Forest Hills Public Schools will provide all learners with opportunities to acquire the knowledge, skills, and experiences necessary to build meaningful and productive lives.

Ada Vista PBIS Mission: Ada Vista Elementary is committed to all students achieving their individual potential. In order to achieve this, staff and students work hard to achieve academic and social goals. We will create a safe environment, where all staff and students feel respected, comfortable and confident to participate, express themselves, and make mistakes in order to learn and grow.
