Hi Everyone –

Our names are Nicole Miller (Emerson's mom), Jessica Peterson (Reese's mom), and Ariel Juberg (Giuliana & Owen's mom) and we are going to be the room parents for Sra. Stone's kindergarten class this year. This means will be coordinating the class parties and teacher gifts. We are asking parents to contribute $7 for our party fund. This is an optional donation, and of course anything more is appreciated too! It is our hope to not ask for any snack or supply donations before each party. Any money left over at the end of the year will be put towards the end of the year teacher gift.

Also, if you would like you may include a donation for Sra. Stone's holiday gift now. We will ask again as the holidays get closer. However, we know how busy the holidays can get and so we thought it might be easier for parents to just include both donations together.

Our parties will be very parent and sibling friendly. Please come and join us! There are two options for the fall party. The fall festival does not include costumes and is a great option for families that do not celebrate by dressing up. The fall festival parade is where the kids dress up in their costumes and parents come and watch the kids parade around the school. Just let us know if you have any questions. We are looking forward to a great year!

Thanks so much!
